## **ROUTE 30 AND LOOP CONNECTORS TO INTERSTATE 215 WILL CLOSE TEMPORARILY TO MOTORISTS IN SAN BERNARDINO**

Bridge construction for the new State Route 210 in San Bernardino will require the temporary night closure of Route 30 and loop connectors to Interstate 215. This closure will occur from midnight to 6 a.m., November 15-17.

Route 30 will be closed between Highland Avenue and the northbound on-ramp to Interstate 215. The Route 30 eastbound loop connector to northbound Interstate 215 and the Interstate 215 southbound loop connector to eastbound Route 30 both will be closed as well.

During the closure, motorists traveling eastbound on Route 30 will be detoured using Highland Avenue, east to Route 259 near H Street and north back to Route 30. Motorists traveling westbound will be detoured from Route 30 using the northbound on-ramp to Interstate 215, exit at University Parkway, proceed west to the southbound on-ramp of Interstate 215, exit at 27<sup>th</sup> Street/Mount Vernon, proceed south to Highland Avenue and turn right back to Route 30.

For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at [www.sanbag.ca.gov](http://www.sanbag.ca.gov). SANBAG and Caltrans appreciate your patience during construction of this new freeway. Please allow extra time when traveling through the construction area and follow all signs and detour routes.

**Remember: Safety: It's no accident!**
